Dear Parents,

Sacred Heart Catholic Elementary School is having its Second Annual Drawdown, "**The Mardi Gras Draw**," on Friday, February 3, at the St. Martin Civic Center. This will be an exciting event offering the best coastal entertainment and food with a Mardi Gras theme. "The Krewe of Sacre Coeur" invites everyone to have a good time sampling food from the Coast's best restaurants, dancing to music by the local favorite band "Coast," enjoying silent auction items, and an opportunity to win the **Drawdown Grand Prize of \$3,500!** *Laissez les Bon Temps Rouler!*

We are excited to announce that the "Mardi Gras Draw" tickets are available. Each ticket is \$40.00 and will admit one person to the event. We ask that each family sell two to four tickets. One adult from each family should make arrangements to come to the school office to purchase the tickets or sign tickets out to sell. Please complete the attached form letting us know how many tickets you can sell, and we will have them ready when you come.

If you would like to reserve a table for you, your family and/or friends or if you own a business and would like to help sponsor the event or receive publicity for your business before and during the event, please consider one of our sponsorship levels. The sponsorship levels include:

## **King and Queen Sponsorship for \$500**

Private table for 8, eight chances to win the Drawdown Grand Prize, plus one reserved event parking space.

A little lagniappe with 2 Bottles of Champagne and Mardi Gras souvenirs!

## **Duke and Duchess Sponsorship for \$250**

Premium seating for 4, four chances to win the Drawdown Grand Prize, and Mardi Gras souvenirs.

Remember, we had a great time, and sold 400 tickets last year. Do not wait too late! We want to see everyone at the Mardi Graw Draw joining us for fellowship with food, fun and entertainment. Please accept our heartfelt thanks and prayers for your support of Sacred Heart Catholic Elementary School. We look forward to seeing you and your guests at *The Mardi Gras Draw!*
